Services

Hicks & McNish Ip provide independent, impartial advice, and are able to act on your behalf. We recommend investments and pensions based on a comprehensive and fair analysis of the market. We will place no restrictions on the Investment Markets we will consider before providing investment recommendations, unless you instruct us otherwise. We will only make a recommendation when we are confident that it is suitable for you.

Our Ethical Policy

We are committed to providing the highest standard of financial advice and service possible

The interest of our clients come first

Our systems and procedures place you at the heart of our business

We will be open, honest and transparent

We communicate clearly, promptly and without jargon

We will seek your views, to ensure your expectations are met

Material Interest

Occasionally situations may arise where we or one of our other clients have some form of interest in business transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your interest, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

Investment Considerations

Investments carry varying degrees of risk. Their underlying value can rise or fall, and you may not get back the full amount invested.

Unless we notify you in writing to the contrary, we will be treating you as a "retail client" for investment business. You are afforded the highest level of protection under the regulatory system, and have the right to take any complaint to the Financial Ombudsman Service.

With very few exceptions, we will confirm to you in writing the basis of our recommendations, along with details of any risks associated with the products recommended.

Full details of the products we recommend to you including, for example, the minimum duration of the product, information on your right to cancel or whether no right to cancel exists, and any early termination rights and penalties, will be covered in the relevant product disclosure information that you will receive before conclusion of any contract.

We will issue any documentation/recommendations, and any other communication to you, in English (unless agreed otherwise).

We may also, on rare occasions, advise on other financial products that are not regulated by the FCA under the Financial Services and Markets Act 2000. The Financial Services Compensation Scheme does not apply to these products. We will always inform you of this in advance.

Under the terms of this agreement, we may, if appropriate, advise you on investments which are not readily realisable. We would draw your attention to the risks associated with these investments as there is a restricted market for them. In some circumstances it may therefore not be possible to deal in the investment or obtain reliable information about its value.

Our Services and Costs

We provide you with an initial discussion free of charge. This helps us understand your needs and how we can support you in working towards these. We will discuss our services and their costs, both initially and throughout our relationship with you.

We charge our services through fees. These fees are laid out below and in our Service Proposition.

Financial Review, Recommendations & Report

This covers our process from the Discovery Meeting through to our Explanation, Discussion & Agreement, as outlined on page 1.

Our charge for this service is a **fixed fee of £543**, payable on provision of the report containing our recommendations to you. This fee will be waived wholly or in part should you decide to implement our recommendations.

Highly complex cases, such as pension sharing on divorce, or the analysis of diverse and complicated investment portfolios, will attract a higher fee. Where a portfolio exceeds 10 different contracts, includes complex investments such as VCTs, Offshore Bonds, EISs, and/or Split-Capital Investment Trusts and involves complex Estate Planning, Pensions and Tax calculations, we would increase this, up to a maximum fixed fee of £2,500. A detailed quotation would be provided in advance, and no work would commence or fee be incurred until this was agreed.

Implementation – Investments, Transfers & Regular Payments

Should you instruct us to proceed with any of our recommendations we will act for you in the following ways:

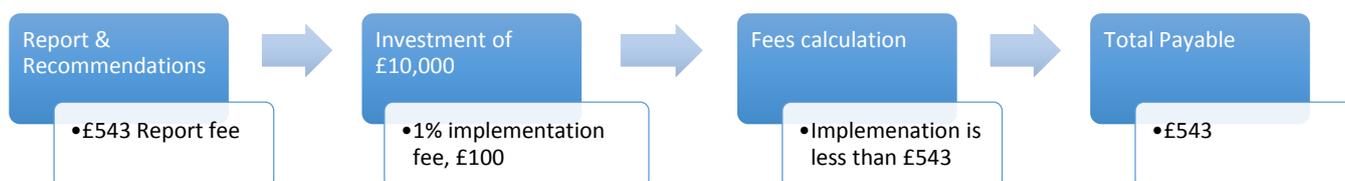

- Handle all fund and contract administration on your behalf;
- Provide regular updates to keep you informed of progress;
- Ensure all your documents are issued in line with your expectations;
- Provide confirmation of actions taken on your behalf

Our charge for this service is based on a percentage of the amount you invest and/or transfer. For regular payments, the “amount invested” applies over the first 12 months. This charge is applied as **1% of the amount invested**.

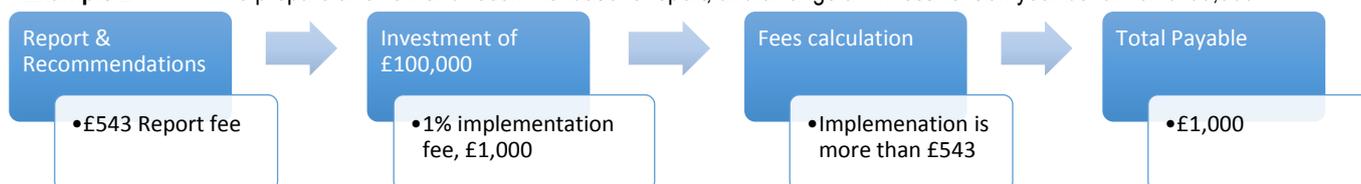

Where *only* regular payments are being made, the total payable will normally be the £543 fixed fee only.

Payment can either be taken from your investment upon receipt by the product provider, or paid directly to us by you. Where we receive such a payment we will waive our ‘financial review and recommendation’ fee by the same amount.

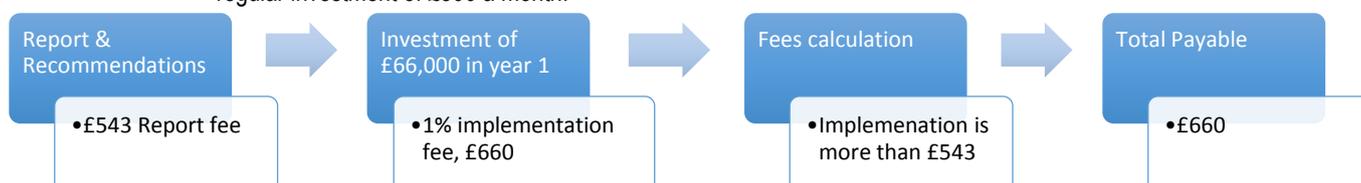

Example 1 We prepare a review and recommendations report, and arrange an investment on your behalf for £10,000:

Example 2 We prepare a review and recommendations report, and arrange an investment on your behalf for £100,000:

Example 3 We prepare a review and recommendations report, and arrange an investment on your behalf of £60,000 plus a regular investment of £500 a month:

Under current legislation, our services are not subject to VAT, but should this change in future, and where VAT becomes due, we will notify you before conducting any further work.

Insurance and Protection

We provide a financial protection review and make our recommendation to you. Should you accept our recommendation(s) we will arrange the implementation of this/these for you. The reasons for our recommendations will also be provided to you in a written report. We normally receive commission from the policy provider instead of a fee. This is detailed in the provider's illustration. Where additional Trust work is required, fees may be charged. Typically this is £250 plus the commission. This will be agreed in advance.

Client money

Hicks & McNish llp is not permitted to handle client money.

Instructions

We prefer our clients to give us instructions in writing, to aid clarification and avoid misunderstandings. We may accept oral instructions, provided they are confirmed in writing later.

Termination

You, or we, may terminate our authority to act on your behalf at any time, without penalty.
